

CREATE 3

A camp for children 5 to 12 years at the Compass Music and Arts Center
June 22nd-27th, 8:30am-3:00pm daily

Looking for a rewarding, learning and fun experience for your child over the summer break - then **CREATE 3** is just right.

Following a healthy breakfast youngsters will engage in a range of 2D and 3D art activities, crafts, cooking, and literature activities.

CREATE3 is an opportunity for young people to utilize their imagination, extend their creativity, whilst also experiencing the pleasure and fun of working with or testing out new mediums in the different disciplines. The Camp is supported by artists, writers and the Compass cook Donna, who are all offering workshops. A home cooked lunch is provided daily.

Drop off time is between 8:30-9:00am when breakfast will also be available. Collection is between 2:30-3:00pm. Lunch is at 12:30pm daily. We also provide a healthy snack at 11am.

The daily rate is \$35 inclusive of breakfast and lunch.

All materials are supplied.

The weekly rate is \$140.

Workshops will alternate to allow young people to choose the timing of their activities and to enable instructors to adjust the program to reflect the needs and skills of the participant. Time will be provided for participants to follow their own creative ideas.

Guiding Principles

Arts form an essential part of the rounded, happy upbringing we want all children to have.

We've got to give all children the chance to catch the culture bug and keep it with them into adulthood.

"You may not be a Picasso or Mozart but you don't have to be. Just create to create. Create to remind yourself you're still alive. Make stuff to inspire others to make something too. Create to learn a bit more about yourself."
Frederick Terral: Right Brain Terrain.com (Designer)

Timetable: Subject to change to reflect age, interest and experience of participants.
